

Elk Creek Sauna

Traditional Wood Fired Heat

Thank you for visiting our sauna.

So that the experience is pleasant for all of our visitors, we request that you keep in mind the following guidelines to help keep the sauna clean:

Please take out everything that you bring in, including bottles, caps, wrappers, etc.

Smoking is prohibited in the sauna. If smoking elsewhere, please place cigarette butts in the designated container.

Please clean the sauna after use if you are using the sauna without management supervision.
(There's a broom available to sweep out dirt and a hose to rinse the benches and floor)

Please don't bring shoes into the sauna

This sauna adheres to the German sauna practice

Towels are permitted in the sauna, but clothing of any type is prohibited in the sauna room unless prior approval has been obtained

Health advisories

If you are unfamiliar with the health and safety considerations of using a sauna, please review our health and safety card carefully.
